MEMORANDUM FOR: Chief, Procurement Management
Staff, DDS&T

FROM: John N. McMahon
Executive Director

SUBJECT: COTR Course Which You and []
Run

STAT

During the course of the past year I have talked to []
about running a course or two for DDI analysts who have responsibility
for external analysis contracts. [] thought it was a good idea and
agreed to let me piggyback on this effort. Unfortunately []
was overbooked and did not think he could handle it. I would like
your opinion on whether or not it would make sense to toss in a few
DDI'ers when you run your particular exercise.
